Membership Application Process

All membership applications need to be proposed and seconded by two existing Full Members of the Club. If you do not know anyone, just email our Membership Secretary to arrange to meet or simply come and visit us when the club is in session.

When you come along, please try and bring along everyone who wishes to join as we try and make sure at least two Committee Members meet each potential new member so we get to know you and can help you get to know us. Children are particularly welcome, so please include them too.

If you have a dinghy or want to know about club boats we will be pleased to discuss berthing or hire.

Once your application is fully completed, it will be reviewed by the Committee and a decision on membership will be notified. You will become a member once the Committee has approved your application and payment is received.

Your Principal Obligations as a Club Member are To

- Abide by the Constitution and Rules of DSC.
